

TONY WEBB'S SPEEDWAY WORKSHOP

Announcing the first edition of a brand new quarterly 28 page A5 booklet, **The Speedway Workshop**, unique in the history of speedway publications.

The Speedway Workshop is aimed at the growing number of restorers and collectors of speedway machines and equipment. It will create a reference guide to suppliers, services, clubs, museums and collectors. Every issue will have a regular format.

The first issue has articles on, Evolution of speedway machine, Rotrax, Jap, Hagon and long track restoration, Bayliss sidecar, a speedcar restoration, the tank man Smithy, a tribute to Joe Hughes and a collector story.

Published in Brisbane, Australia the content will be of Worldwide interest.

Subscription is \$30 for 4 issues in Australia, \$35 World wide. For advertisers to include a business card advertisement the costs are \$60 and \$65 including a posted copy

One off introductory copies are available at \$10

The content will be,

The frame builders
